

BRICK : And I **lay** on that **hospital** bed, I was unable to **move** or **run** from that **sound** and **still**...

It kept **ringing louder** and **louder**. So that **disgust** with mendacity is **really disgust** with myself

And when I **hear** that **click** in my **head** I **don't** hear the **sound** of that **phone ringing** any more.

Big DADDY : **You're** just **feeling sorry** for yourself, **that's** what it is, self-**pity** !

**You** didn't kill **Skipper**, he **killed** himself. **You** and **Skipper** and **millions** like you're **living** in a **kid's world**,

**Playing games**, **touchdowns**, **no worries**, **no responsibilities**. **You** won't live with mendacity, but you're an **expert** at it.

The **truth** is you **never** grewed **up** ! **Bull** ! you're **running again** !

BRICK : **Yeah**, I am **running**, running from **lies**, lies like **birthday** congratulations and **many happy returns** of the **day** when there **won't be** any and ...
